

TB2150R

MOORE FOR YOUR MONEY

Interest free purchasing from Takeuchi*
TB2150R - 0% over 36 months with 20% deposit

The TB2150R is really worth its weight, with a fixed conventional boom and excellent dig depth to 6060mm.

Auxiliary pre-set modes to match all types of attachments adjustable on the colour VDU. Boom and arm holding valves as standard.

Maximum all round visibility and operator functionality with the smoothest Takeuchi controls.

Available with a mono fixed boom with or without a dozer, Takeuchi offer the maximum operating choice.

With a massively reduced short tail swing the TB2150R gets to work in tight spaces.

15 Tonnes of Powerful Excavating Performance

TAKEUCHI
Finance

*This does not constitute an offer and is not binding on Takeuchi Finance. Financing of Takeuchi TB2150R excavators is available only through Takeuchi Finance in the UK (a trading style of De Lage Landen Leasing Limited) for orders placed from the 1st June 2020 and delivered up to 30th September 2020. Representative example is based on a 0% interest rate hire purchase agreement over a 36-month funding period with 20% deposit payable on inception. VAT needs to be repaid in full upfront, document fees and option to purchase fees apply. Other interest rates are applicable for longer funding periods. All applicants must be 18 or over and credit is for UK registered businesses only (subject to approval). Availability of financing is subject to approval by Takeuchi Finance and cannot be combined with any other campaign. Terms and conditions apply, indemnities may be required. This document has been prepared for general information purposes. It is not meant as advice on how any transaction or element of it should be qualified from a legal, tax, accounting or other perspectives. Any such qualification or analysis is to be made by you.
